5. ENVIRONMENT

5.1 Brightwell Lakes Community Forum. (CP filed in the office together with the minutes)

Mr Irwin as Chair of the Brightwell Lakes Community Forum reported on the schedule of delivery dates:

- School opening target date, September 2027
- Main Suitable Alternative Natural Greenspace, 2026
- Sports pitches and changing rooms, 2029
- Community Buildings/ Primary Local Centre, 2032
- Secondary Local Centre, 2029/30
- Western corridor allotments 2026
- Eastern corner allotments 2034

Mr Irwin reported:

- The NHS provision is still in the planning stage. The 2000 new dwellings to be delivered at Brightwell Lakes falls a long way short of the 3000 new dwellings benchmark believed to be required to commission a new medical facility
- Ideas for street naming for Phase W1 and E1 have been submitted to the developers. Other suggestions can be collated for street naming for later phases
- DC/22/4788/DRC - Discharge of Conditions Nos. 61, 18, 55, 50, 51 and 52 of DC/17/1435/OUT has been filed with on the ESC planning portal
- Bus stops will be facilitated on the spine road of the new development, but in itself this does not mean a regular bus service will run.

Noted.

DECISION D2022/12c: Council officer to investigate the criteria required to be met to trigger the provision of new medical facilities, and consider if it can be argued that cumulatively, across the Parish, Martlesham meets the threshold, and add a Brightwell Lakes update to the Council website and social media. **Agreed.**

5.2 McCarthy Stone Forum meetings. The weekly meetings with McCarthy Stone (MCS) are very useful but have recently been reduced to fortnightly meetings. A formal schedule of 2023 meetings would be helpful. MCS provided details of the proposed water standpipe for MPC approval. Other MPC questions remain unanswered on warranties, bike charging, and EVC

charging. The lighting strategy questions may be answered within the forthcoming MCS application to discharge Condition(s) 16 (Landscape Management Plan); and 24 (Design, Usage, Heritage and Landscape Strategy) of DC/21/3305/FUL.

5.3 ESC Walking and Cycle Strategy adopted by ESC 4th October 2022. (A link to the strategy was circulated prior to the meeting).

One year on from Martlesham Council submitting its comments, the DETC Chair is pleased to report that MPC's comments and recommendations were taken on board and the ESC strategy is now adopted. Consider what this means for Martlesham.

DECISION D2022/12d: Council officer to research what the ESC Walking and cycling Strategy means for Martlesham. Agreed.

DECISION D2022/12e: Council Officer to advertise the strategy and provide an update to the Council website and social media, and the Clerk to include it as one of the proposed themed pages for the Martlesham Monthly. Agreed.

5.4 ESC Housing in Clusters Supplementary Planning Guidance adopted November 2022.

(Link circulated prior to the meeting).

Noted.

5.5 Martlesham Neighbourhood Plan Review (COR 4 filed in the office together with the minutes).

The meeting noted that

- The 2016 – 2031 Martlesham Neighbourhood Plan (MNP) preceded the 2020 ESC Local Plan,
- The Parish Council declaration of a Climate Emergency, and
- The proposed Government planning law and policy changes.

Given the heavy workload of the DETC, which is currently undertaken by very few of its members, a working group dedicated to any review of the Neighbourhood Plan would be required and professional consultants would need to be brought in to help.

DECISION D2022/12f: Council Officer and DETC Chair to meet with the consultant who advised on the 'made' MNP to gauge the workload and costs involved in a review of the Martlesham Neighbourhood Plan, reporting back to next DETC meeting. Agreed.

6. TRANSPORT (includes highways issues)

Noted. MPC joined SAVID since the last DETC meeting.

6.3 SIDS Report (CP filed in the office together with the minutes).

Noted.

7. FINANCE AND TRAINING:

7.1 DETC Annual Budget (COR 4 filed in the office together with the minutes).

Noted. Training has been cost effective. Some training costs in the next year may be included within other Committee or Full Council budgets. Budgets can be increased mid-year if necessary.
