

Filming and Recording at Council Meetings

In the interests of openness and transparency, councillors and members of the public are reminded that the law permits any person to film, record, photograph or use social media in order to report on the proceedings of a meeting of the Council or its committees when they are open to the public. This does not extend to live verbal commentary.

No flash photography or additional lighting should be used without prior consent.

People under the age of 18 or other members of the public not wishing to be filmed or photographed should notify the Clerk or Chairman.

Improper conduct or any disruptive behaviour could result in expulsion from the meeting.
